### About Telpar

Telpar is a recognized leader in the design, manufacture and support of OEM and kiosk printers. Additionally, it is a leading distributor of Epson, Fujitsu, APS and Citizen print mechanisms and control boards. Telpar printers are popularly used by kiosk manufacturers, medical equipment manufacturers, ATM manufacturers, gaming, and petroleum equipment manufacturers, engineering and instrumentation applications.

Among these offerings is the Stealth family of printers. These high-speed direct thermal printers are available in 2, 3, 4 and 8.5 inch document widths and use Telpar's designs to provide the most complete set of features available for a kiosk printer.
