## Telpar Launches an Enhanced and Expanded Website at [www.telpar.com](http://www.telpar.com)

*Features expanded printer product details and services, technical FAQ's and bulletins, customer examples as well as contract manufacturing outsourcing capabilities for manufacturing and engineering services.*

DOVER, NH (February 23, 2009) – Telpar, one the of industries leading thermal printer manufacturers specializing in design, manufacturing and distribution of self service Kiosk and specialty receipt printers, today announced it has launched an updated and enhanced corporate website, [www.telpar.com](http://www.telpar.com), to help customers learn about kiosk and receipt printer solutions and services. This website offers a more user-friendly layout as well an updated look and expanded product offering and description. An enhanced Technical section features technical FAQ 's and helpful technical bulletins as well as product selection guides. This section provides step-by-step how to solutions for printer and paper problems.

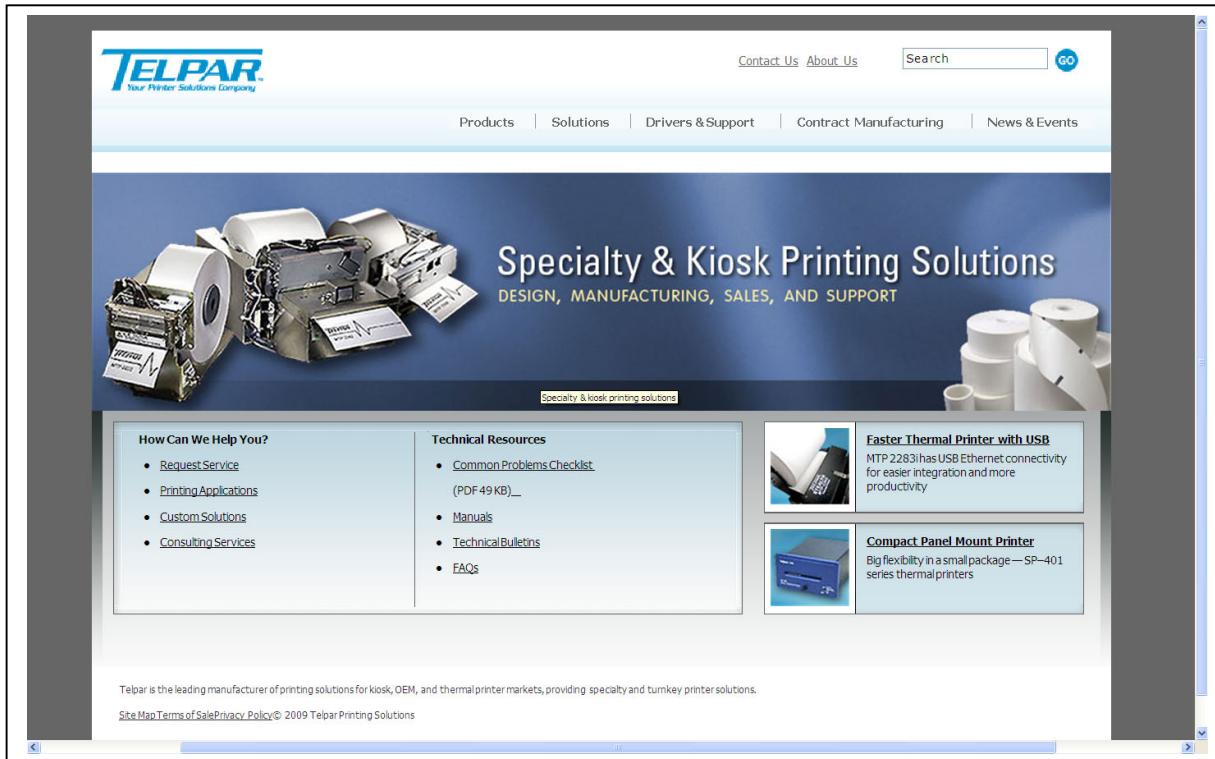

Additionally, new sections have been added to the web including; a Customer Example section highlighting customer's real life applications utilizing Telpar printers in innovative ways, a printer applications guide and consumables and accessories sections.

The Contract Manufacturing portion of the Website includes details of Telpar's manufacturing and engineering outsourcing capabilities featuring its design engineering, software development, product assembly and kitting offerings.

Commenting on the new Website, Vicki Pillsbury, Telpar's Director of Manufacturing, stated: "The new layout provides users with more intuitive navigation, enhanced visual content and a comprehensive view of the Company's technologies and products". She went on to say, "This redesigned Website affirms our commitment to provide relevant information and educate all of our customers and current and future business partners".

Targeted for Kiosk and receipt printing industry, Telpar's new website is a single-source for a variety of information, including downloadable brochures, application guides, and articles. To learn more about Telpar printing solutions, please visit [www.telpar.com](http://www.telpar.com)
